

FOR SALONS, REPAIR PROS, CLEANERS AND TUTORS

Your business. Your link. Your price. Your money, straight to your UPI.

Take bookings from the people who live around you. You set your services, prices and hours, share your own link, and customers pay you directly. ShopQ takes no percentage of your sales.

THE SAME BUSY SATURDAY, TWO WAYS

Phone and diary today	On Shopq
BOOKING Calls and WhatsApp all day. You write each slot in a diary.	BOOKING Customers pick a free time inside your hours. Each booking lands in Incoming bookings.
4 PM Two customers both think 4 pm is theirs. One chair.	4 PM Each time takes only as many bookings as you have staff working.
WALK-IN Someone walks in, and the diary is wrong again.	WALK-IN Tap Walk-in now. The app stops offering that time.
PAYING "I'll send it later." You finish the job and wait.	PAYING Customers pay you by UPI or cash when the job is done.

WHAT YOU GET

Your own page

Your business, your services, your photos and your team.

Your own link

Share your page, or its "Scan to book" card. Customers tap and book.

Your price, your hours

You set the price, how long each job takes, and the days you work.

Money straight to you

Customers pay you in their own UPI app, or cash. ShopQ never holds it.

No double bookings

Times fill up by your team size, and walk-ins block the calendar.

Trust, shown

Verify once, and reviews from your customers build on your page.

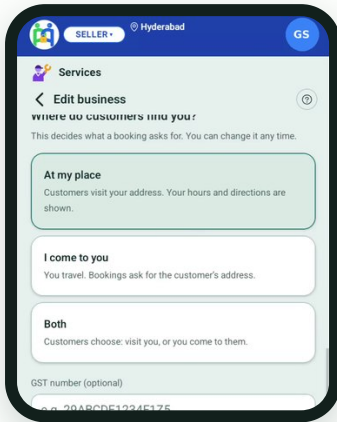

First 3 months free. Then plans from ₹100 a month.

No percentage of your sales. Turn the page to go live in three steps.

Get live in three steps

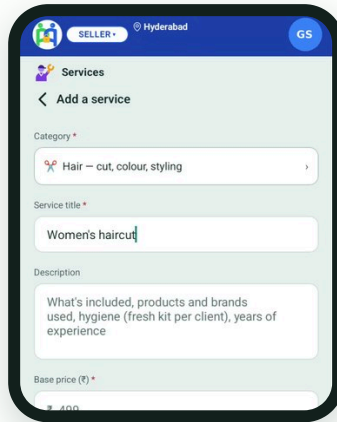

Install ShopQ and sign in with your phone number. Tap the pill at the top and switch to **Seller**, then open **Services** and tap **Add your business**.

1 Set up your business

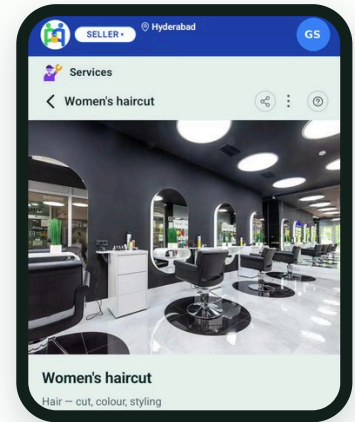

- Business name and contact number.
- Where customers find you: **At my place**, **I come to you**, or **Both**.

2 Add a service

- Category, a clear title and your price per visit.
- How long it takes, the days you are open and your hours.

3 Add photos and go live

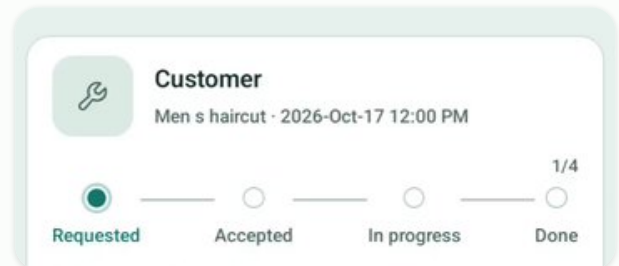

- Photos of your place or your work.
- Tap **Publish service**, then **Go live**. Customers nearby can book.

THEN, FOR EVERY BOOKING

From booking to done

Each booking moves through four steps in **Incoming bookings**. The app shows whose turn it is.

Booking lands

Day, time and the service, in Incoming bookings.

Accept

Tap **Accept booking**. The customer gets a start code.

Start work

Type the customer's start code. The job is In progress.

Mark done

When the work is finished, tap **Mark done**.

Get paid

The customer pays you by UPI or cash when the job is done.

Customer confirms

They tap Done, or it confirms by itself after 24 hours.

Paid to you. Customers pay you directly, by UPI in their own app or in cash. They pay when the job is done; ShopQ never holds the money.

STUCK? THREE WAYS TO GET HELP

TEAM / PROFESSIONALS

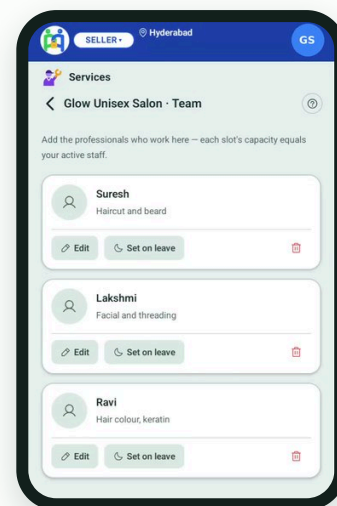

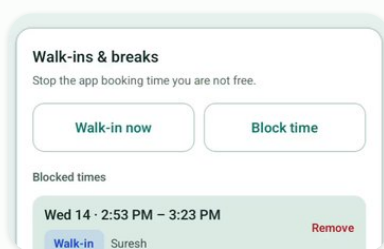

Customers can book the person they want

Add each professional who works with you, with what they are good at and their years of experience. Customers see this when they choose who to book, or they pick

Whoever is free.

- **No double booking.** Each time can take as many bookings as you have active staff.
- **On leave?** Tap **Set on leave** and that person is not offered.
- **At-home jobs:** add a professional's phone, and the customer calls them directly.
- **Staff logins:** invite people to run the business with their own ShopQ login, as Manager or Staff. They never see your login or OTP.

WALK-INS & BREAKS

Stop the app booking time you are not free

Walk-in now

Someone walked in. Pick who takes them and how long; that time comes off the calendar, starting now.

Block time

Lunch, leave or closing early. Block it for one person or everyone, and no one can book it.

A booking is already there

The booking stays. Move or cancel it yourself.

New time asked

A customer can propose a new time. Accept it, or keep the original.

Closed for a while

Switch off **Accepting bookings** in Edit business. You are hidden from buyers; existing bookings are not affected.

OPEN REQUESTS NEAR YOU

People nearby ask. You send an offer.

"Need a plumber to fix a leaking tap." When someone near you asks for work you do, it shows on your Services home. Send an offer with your price and a note, or offer one of your listed services. The customer compares offers and picks one.

- Filter by distance, by day, and by **My categories**.
- **My offers** keeps every quote you sent:

- Accepted but nothing under Orders? Call or WhatsApp the customer to agree the time and payment.
- Requests aimed at you alone are in Listings, under **Buyer requests**.

Verify once. It counts everywhere you sell.

Verify your identity with Aadhaar, and add a registration number if you have one (Udyam or GST). ShopQ checks them against official records where it can. Buyers see the badge, never your documents. You can take bookings without it.

IN THE APP, AND ON THE WEB

Run the whole business from one page

Listings, incoming bookings, your business details, places and reviews are one tap from your business page. Several businesses? Each has its own page.

- Invoices in your name for your customers. Switch them on from the web.
- For desk work, sign in at shopq.ai on a laptop with the same phone number.

Know other professionals? Bring them on.

ShopQ partners set up businesses for people they know, then hand the account over with a code. The owner has it from day one. Ask us on WhatsApp **95503 96660**.
